Moses Mabhida Stadium has redefined the landscape of Durban. The All Access tour covers, among other things, the changerooms, the competition area, pitch and Presidential Suite when available.

500 steps up the southern side of the 106 metre arch to the sky platform. The view is worth the effort of the climb. 360° of the city of Durban, its incredible coastline and the Indian Ocean. Magnificent!

It takes two minutes in the SkyCar to reach the top of the arch. A 360° view of Durban awaits you. See all of the city landmarks by day. Breathtaking!

# FACTS INTERESTING FACTS INTERESTING FACTS INTER

1 | The stadium is named after a giant of a man, Moses Mbheki Mncane Mabhida, who was one of those who helped to forge and maintain the powerful United Front that eventually saw the creation of a democratic and non-racial South Africa 2 | Its design allows for natural ventilation and creates an incredible sense of space every bit as striking as the stadium's famous arch 3 | The shape of the iconic arch was inspired by the "Y" shape on the South African flag 4 | The different levels of the stadium are supported by 1 750 columns and 216 raking beams that provide the main support to the seating panels 5 | The roof is made of 46 000 m<sup>2</sup> of Teflon<sup>®</sup>-coated glass fibre membrane that produces a translucent glow when the stadium is lit up at night 6 | The roof is attached to the arch by 95 mm-diameter steel cables 7 | The 350 m long free-span steel arch weighs 2 600 tonnes (the equivalent of 2 600 average cars) 8 | The grand centre arch, 106 m high, is not just a design feature. The SkyCar takes visitors up to its highest point, where they can get out and enjoy breathtaking, panoramic views of the city and ocean 9 | There are 120 luxury suites with 7 500 seats 10 | The colour arrangement of the seating was conceptualised to look like the sea flowing onto the beach 11 | Each seat is spacious and comfortable, providing a clear line-of-sight to the pitch 12 | The usual stadium seating capacity is 56 000 which can be up-scaled to 85 000 for major events.
